Chatham Grammar School for Girls

Oversubscription criteria: 2020

Chatham Grammar School for Girls Oversubscription Criteria

Where applications for admission of eligible girls exceed this number, the following criteria will be applied in the order set out below, to decide which girls who satisfied the selection requirements should be offered places:

After the automatic admission of Looked After Children and children who were Looked after, but ceased to be so because they were adopted (or because they were subject to a residence order or special guardianship order), and after the automatic admission of students with EHCPs where the Chatham Grammar School for Girls is named on the EHCP (after the Academy has been consulted and it has been agreed), the criteria shall be applied in the order in which they are set out below.

They will be prioritised on the basis of criteria a) - c) below (in order).

a) Current family association (i.e. elder brother or sister) attending any of the UKAT academies at the time of application who will still be attending when the applicant child is admitted and has been deemed selective. In this context, brother or sister means:

- A natural brother or sister (including adopted siblings)
- Step brother or sister
- Foster brother or sister
- Those who live as brother or sister in the same house

b) Children, deemed selective, of staff at any UKAT academy (where the member of staff has been employed for one year or more at the time at which the application for admission to the Academy is made and/ or where the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage).

c) Nearness of children’s home. In the unlikely event that two or more children in all other ways have equal eligibility for the last available place at the school, the names will be issued a number and drawn randomly to decide which child should be given the place.
